

LAHS Newsletter

Laguna Acoma Jr. / Sr. High School

Principal's Desk

Dear Laguna Acoma School Community,

At the time of this writing, the Laguna Acoma High School football team is 1-1 after winning their last game on September. 7. The volleyball team is 3-1 and having a very successful season. Our cross-country team is also experiencing much success in their tournaments. We have much to be thankful for. We hope that our teams will continue to play well and experience not only success, but also enjoyment and safety in their activities.

On the academic side of things, progress reports will be mailed out on Sep. 12. If you would like to talk with any of the LAHS teachers regarding how your child is doing please feel free to contact the LAHS office at 285.2667 and we will set up an appointment. We will have parent-teacher conferences scheduled for Friday, October 19. September 19 is our Cultural Day. There will be no school for students on September 19.

On Saturday, October 27 many of our upper classmen will take the ACT test. Taking this test is voluntary, but students need to get their ACT packet

into the counseling office in order for them to take this test. The ACT is a curriculum-based measure of college readiness. The ACT test covers academic achievement in English, math, reading, & science. Upon completion of the ACT test, scores are sent to prospective colleges as part of the application process.

I am very pleased and appreciative of the dedication and the extra service the Laguna Acoma High School staff performs on a regular basis to provide opportunities for our students.

It is our hope that by working together we will make this upcoming school year a very positive and productive learning experience for all. We encourage your involvement and participation in our school activities. Please feel free to contact the school at 285.2667 with any questions you may have.

Check out the Perfect Attendance listing on page 2. According to our records, we had 98 students with Perfect Attendance for the month of August.

That's a Great Start!

Thank you for your continued support of Laguna Acoma Jr. / Sr. High School.

Dr. Richard Yzenbaard

COUNSELING CORNER

Seniors-The October 27th ACT test date and the November 3rd Test date are the latest test available to meet most of the 4 year college/university scholarship deadlines.

ASVAB Testing will be September 11th, at 8am, all juniors required and any seniors wanting to take it.

Seniors and Juniors start looking up scholarships by going onto the school website under counseling tab, it will have upcoming college events, scholarship search engines, any new local scholarships that are sent. Check regularly, as it is continually updated.

RMACAC Albuquerque College Fair, Sunday September 23rd, 12-3pm Albuquerque Convention Center, Registration not required but helpful. Registration at www.gotocollegefairs.com.

Laguna Acoma Teen Health Center at LAHS

The Laguna/Acoma Teen Health Center makes going to the doctor as simple as walking down the hall.

Presbyterian Medical Services is proud to announce the opening of the Laguna/Acoma Teen Health Center. In partnership with the Laguna Acoma Jr./Sr. High School, our common goal is to increase educational success by providing physical and mental health care that creates a more positive overall school climate that allows students to stay in school and learn. Services will coincide with the beginning of the 2018/19 school year and will be provided at the health suite adjacent to the school library.

As the newest School-based Health Center offered by Presbyterian Medical Services, the La-

guna/Acoma Teen Health Center will focus on meeting the needs of students and school employees through a full range of services. Patients can be treated for acute illnesses, such as flu, wellness exams including sports physical, chronic disease management and other comprehensive services. Mental health assessments and individual counseling will be provided to assist those dealing with anxiety, stress, depression, substance use and trauma. With an emphasis on prevention, early intervention and risk reduction, school-based health centers counsel students on healthy habits and how to prevent injury, violence and other threats. The Laguna/Acoma Teen Health Center will be open during school hours on Tuesdays, Wednesdays

and Thursdays.

The establishment of the Laguna/Acoma Teen Health Center was made possible through a collaboration between the community, the school district, the Laguna Health Corporation and Presbyterian Medical Services. We are excited to provide excellent, accessible, trusted health care and information for our students and educators in the area.
