Laguna Acoma Jr. / Sr. High School

Principal's Desk

Dear Laguna Acoma School Community,

Laguna Acoma High School is in transition. At the time of this writing, we are wrapping up our fall activities and gearing up to our winter activities. All three of our fall sports teams are playing the remainder of their seasons and getting ready for district and state tournament play.

As principal I have many types of conversations and discussions throughout my day and week. I wish I could say that all of my conversations are positive and uplifting. However, I am pleased to say that on a daily basis I experience a very positive dialogue here at Laguna Acoma High School. The dialogue I am referring to is the instructional dialogue that takes place every day in the classrooms of Laguna Acoma High School.

As I walk down the hallways and observe classrooms I see and hear the very positive and uplifting instructional dialogue the teachers and students are engaged in. The conversation that is occurring in the classrooms is focused and academically challenging. Staff are stepping up and providing services over and above their contract obligations and students are positively responding to these efforts. I invite and encourage all parents and community members to visit our school at any time. I would love to walk with you down our hallways and be part of this marvelous conversation that we are having at Laguna Acoma High School.

We will not have school on Monday, October 8. This is a professional Development Day for Staff. Oct. 12 marks the end of the first nine weeks of school. That means that we are about 25% finished with the school year already. Isn't that amazing! Parent/Teacher Conferences are scheduled for Friday, Oct. 19.

Please make an effort to come to Laguna Acoma High School and talk to your child's teachers. I would like to encourage all of you to schedule an appointment with your child's teachers. You can schedule an appointment by calling our front office at 552-6683. If you have any immediate concerns/questions please schedule an appointment as soon as possible, you do not have to wait until Oct. 19 for the scheduled conference day to talk with any of our teachers or staff members.

Thank you for your continued support of Laguna Acoma Jr. / High School.

Dr. Richard Yzenbaard

I want to thank all of you for your continued support of Laguna Acoma High School.
