

LAHS Newsletter

Laguna Acoma Jr. / Sr. High School

Principal's Desk

Dear Laguna Acoma School
Community,

At the time of this writing we have 7 days of school left in this school year. It is amazing how fast this year went by. I would like to thank the parents and the entire school community for your support during this past year.

This school has seen some changes and will continue to change in the years ahead. The biggest and most significant change I see is the change in the lives of our students.

I am very pleased at the academic growth that our students are demonstrating. Already we are getting preliminary results from the recently administered state assessments and the results are very encouraging.

Through the course of the year I have seen positive growth in the maturity level in our students. Every day I see positive, responsible behavior demonstrated at all grade levels. We have a marvelous group of students at Laguna Acoma Jr. / Sr. High School and I want to thank the parents for the privilege we have to work with them.

The last few days of school are filled with many activities.

The biggest event is our Laguna Acoma High School Graduation Ceremony on Saturday, May 18 at 10:00AM. You can be sure that the gym will be packed.

On Thursday, May 23 we will have an Activity Day at LAHS. Students will be participating in a variety of activities—including physical activities—so make sure your students wear comfortable clothing on that day.

On Friday, May 24 LAHS we will have our last day for students and the final checkout for students. Make sure all your student accounts have been satisfied.

We have summer programs in June for our students as well.

Thank you all for a great school year,
Dr. Richard Yzenbaard

COUNSELING CORNER

Dual Credit for next Fall school year need to be turned in before the end of this year! That's any juniors and sophomores planning or needing to take a college course! Students need a dual credit or honors/AP for graduation.

The Senior Awards ceremony was a success!

Any students who haven't filled out an pre-registration form please see Ms. Glicco

I hope everyone has a wonderful summer and comes back safely in the fall!

Laguna Acoma Teen Health Center at LAHS

The Laguna/Acoma Teen Health Center makes going to the doctor as simple as walking down the hall.

Presbyterian Medical Services is proud to announce the opening of the Laguna/Acoma Teen Health Center. In partnership with the Laguna Acoma Jr./Sr. High School, our common goal is to increase educational success by providing physical and mental health care that creates a more positive overall school climate that allows students to stay in school and learn. Services will coincide with the beginning of the 2018/19 school year and will be provided at the health suite adjacent to the school library.

As the newest School-based Health Center offered by Presbyterian Medical Services, the

Laguna/Acoma Teen Health Center will focus on meeting the needs of students and school employees through a full range of services. Patients can be treated for acute illnesses, such as flu, wellness exams including sports physical, chronic disease management and other comprehensive services. Mental health assessments and individual counseling will be provided to assist those dealing with anxiety, stress, depression, substance use and trauma. With an emphasis on prevention, early intervention and risk reduction, school-based health centers counsel students on healthy habits and how to prevent injury, violence and other threats. The Laguna/Acoma Teen Health Center will be open during school hours on Tuesdays, Wednesdays

and Thursdays.

The establishment of the Laguna/Acoma Teen Health Center was made possible through a collaboration between the community, the school district, the Laguna Health Corporation and Presbyterian Medical Services. We are excited to provide excellent, accessible, trusted health care and information for our students and educators in the area.

Educators Rising

Congratulations to those Educators Rising students who qualified to compete at the National Level: Riley Antonio, Iliana Harjo, Melvina Herrera, Olivia Poncho, and Aaron Romero.

Way to represent LAHS!
